

ARPIT SINGHAL

arpitsinghal00001@gmail.com | 9960469145 | Delhi-NCR, India

Summary

I am Arpit, a tech enthusiast with a passion for innovation. Passionate software developer with full-stack development, machine learning, and blockchain expertise. Skilled in building scalable applications, AI-driven solutions, and decentralised platforms. Dedicated to problem-solving, innovation, and leveraging technology for real-world impact.

Education

Sainik Public School 10th · CBSE · Haryana, India	Apr 2019 – Mar 2020 9.83 GPA
Sainik Public School 12th · CBSE · Haryana, India	Apr 2021 – May 2022 8.1 GPA
SRM Institute of Science and Technology B.Tech · Computer Science · Delhi-NCR, India	Sep 2022 – Present 8.91 GPA

Experience

Navodita Infotech Work Full Stack Web Development Intern · Intern · Full-time	Jun 2024 – Jul 2024 Maharashtra, India
- Optimised and refactored code to improve maintainability and reduce complexity. - Implemented best coding practices, leading to increased efficiency and scalability. - Identified and resolved technical issues, improving user experience and platform stability.	
Edunet Foundation Project Intern · Intern · Full-Time	Jul 2024 – Aug 2024 Remote
- Developed a Bitcoin Price Prediction Model using XgBoost. - Trained in Machine Learning and IBM Cloud Technology, gaining hands-on experience. - Deployed the model on IBM Cloud, optimizing scalability and performance.	

Projects

AI-Powered Resume Builder Project	Oct 2023 – Present Software Engineering and AI
- Built a full-stack AI-powered resume generator using the MERN stack and OpenAI API, ensuring ATS-friendly Resumes tailored to job descriptions. - Designed an interactive UI with React and Vite, enabling real-time resume previews and customizable templates. - Developed a secure backend with Node.js, Express, and MongoDB, optimizing API calls and state management for seamless performance.	
Online Thrift Store Project	Jul 2024 – Sep 2024 Web3
- Built a decentralized eCommerce platform using the MERN stack and SOLIDITY for smart contract integration. - Implemented secure blockchain-based transactions, ensuring transparency and trust in online third-party shopping. - Designed a user-friendly interface with seamless Web 3 authentication and NFT-based ownership verification.	
Phishing Website Detection Project	Apr 2025 – May 2025 Machine Learning
- Developed a phishing detection model using text transformation and tokenization to classify URLs as phishing or safe. - Trained and tested the model on a dataset of phishing and non-phishing links, optimizing performance for real-world scenarios. - Deployed the model using Fast API, enabling real-time prediction of website legitimacy.	

- Built a dynamic eCommerce platform using HTML, CSS, JavaScript, Node.js, Express.js, and SQL for a seamless user experience.
- Implemented secure authentication and database management, ensuring data integrity and smooth transactions.
- Designed a responsive and interactive UI, enhancing usability and performance across devices.

Skills

Languages: C++, Python, JavaScript, Java
Web: HTML, CSS, React, Node.js, Express
Data Skills: SQL, MongoDB, Pandas, NumPy, Matplotlib
Other: Excel, PowerBI

Certifications

Data Mining Certificate NPTEL	Apr 2025
Python Certificate Hackerrank	Nov 2023
Web Technologies Certificate Infosys Springboard	Jan 2025
Java Certificate Hackerrank	Nov 2023

Competitions

MSC SUMMER BOOTCAMP 2024 Certificate Winner · Microsoft Learn Student Ambassador Student Chapter – IGDTUW	Sep 2024
Geeks for Geeks HackFest Participation Certificate Participant · Tech Challenge Association	Sep 2024

Volunteering

Hope Bridge Foundation Volunteer · Community Development	Apr 2024 – May 2024
• Assisted in organizing community events and fundraisers. • Volunteered in several drives.	

Conferences and Workshops

Applications of Machine learning in Urban Studies Participation Certificate IIRS	Jun 2023
--	----------

Languages

English [Professional Working Proficiency], Hindi [Native Proficiency], Marathi [Limited Working Proficiency], German [Fundamental Proficiency]

Co-Curricular Activities

Core Member at GeeksforGeeks SRMIST NCR Chapter website	Sep 2023 – May 2025
Volunteering at Geek Tank Volunteering Recognition Volunteered at a college organized by GeekforGeeks SRMIST–NCR Chapter.	May 2023 – Aug 2023
